

The Ontario Chamber of Commerce Annual General Meeting & Convention hosted by the Muskoka Lakes and Gravenhurst Chamber of Commerce

We are thrilled to announce that the Ontario Chamber of Commerce AGM & Convention is coming to Muskoka in 2019! Both the Muskoka Lakes and Gravenhurst Chamber of Commerce will be host to 150-200 people for the Ontario Chamber of Commerce's key policy development meeting, bringing together many business leaders from across Ontario.

These leaders will be highlighting new policy recommendations, strategic priorities for the business community and ideas that will mold business mediums for years to come. Delegates will be meeting at the JW Marriott, The Rosseau Muskoka Resort & Spa in Minett and the Discovery Centre in Gravenhurst, from May 2-5th, 2019.

As hosts, our Chambers presented a hospitality suite at the Hamilton Ontario Chamber Conference in April of 2018. Well over 100 people came out after dinner on Saturday night to enjoy Muskoka Springs craft sodas, Muskoka Brewery beer, Muskoka Lakes Winery, snacks and learn about Muskoka. They were all excited about coming to Muskoka and many plan to bring their spouses and extend their stay.

Our goal is to showcase the diverse businesses here in Muskoka to these delegates from all over Ontario, and to also highlight the significant economic opportunities within our community. We will submerge members of the OCC in all things Muskoka, with an end result of bringing more economic development to the area. Who knows, they may want to return as a visitor, seasonal resident or even as permanent citizens.
