

A close-up photograph of a young woman with dark hair, smiling and looking down at her hand as she dips it into the dark blue water of a lake. She is leaning over the side of a wooden boat, and water splashes around her hand. The background shows the rippling surface of the lake under bright sunlight.

## A welcome message from the Mayor

On behalf of the Township and our residents, I am pleased to welcome you to the Township of Muskoka Lakes. Muskoka Lakes is iconic cottage country and hosts visitors from around the world. Many return year after year because no matter

where they call home, the unique character and history of the area holds a special place in their heart.

Whether you prefer small communities, rural areas, country settings or stunning waterfront properties, the Township of Muskoka Lakes has it all. You will love the fresh crisp air of a beautiful winter morning or a spring walk on one of our eight amazing trails including Hardy Lake Provincial Park, Huckleberry Rock Lookout, and the Torrance Barrens Dark Sky Preserve; the first such protected area in Canada.

During the summer months, the area comes alive with visitors from around the world. In 2011, Muskoka ranked first in National Geographic magazine's 10 Best Summer Trips. Experience our picturesque lakeside locations by relaxing on a dock, enjoying a campfire or having fun swimming, boating, fishing or water skiing.

A fall getaway in Muskoka Lakes is sure to please visitors who will enjoy the brilliant autumn leaves reflecting on our sparkling waters. The character of the Township is reflected in our eclectic mix of events, including the award-winning Bala Cranberry Festival (always the weekend after Thanksgiving), Port Carling Winterfest, antique and craft shows, Bala Trek to Bethlehem and farmers' markets.

Spring, summer, winter or fall, Muskoka Lakes has something for everyone. I hope that you share the same passion for Muskoka Lakes as I do! Enjoy your stay and please come back soon!

Sincerely,

**Phil Harding**

# Great Things to Do and See

- 1) Cruise the lakes
- 2) Marvel at views from our lookouts and trails
- 3) Catch a ski show
- 4) Master a new watersport
- 5) Experience our festivals
- 6) Shop our boutiques and farmers' markets
- 7) Visit our farms, winery and breweries
- 8) Take in a concert
- 9) Learn about our history
- 10) Drop by an art gallery

## Cruise the lakes

Our cruise ships offer you an up close and personal view of our lovely lakes and historic cottages and boathouses that dot our shores. Choose to cruise from Port Carling on the Peerless II with Sunset Cruises, from Bracebridge on the Lady Muskoka or from the Gravenhurst Wharf on the legendary Segwun or Wenonah II. You can rent a classic Duke Playmate to wander the lakes leisurely on your own or choose a best-in-class modern boat from one of our many marinas.

### **Marvel at views from our lookouts and trails**

It's an easy walk up either Huckleberry Rock to overlook the north end of Lake Muskoka or wander up the Walker's Point Lookout trail from where you might even spot the Segwun cruising by. Our trails all have their unique characteristics. The Torrance Barrens trails offer completely different vistas than nearby Hardy Lake Park as does the Fish Hatchery Trail. You can stroll around the cranberry marsh on the Cranberry Trails, complete with instructional guideposts along the way (there is a small fee for the Cranberry Trails). Check out our map where trails are located at the back of this directory.

### **Catch a ski show**

The Summer Water Sports (SWS) ski shows have a long history and provide iconic memories of summer in Muskoka. Ski shows happen Monday through Thursday in Minett, Bala, and Gravenhurst.

### **Master a new watersport**

You can take a lesson with one of our Chamber members, including SWS, Bush's Watersports Park and Muskoka Wake. Take flight on a flyboard or try out the cable park at Bush's for an easy way to learn wakeboarding. You can even try out a powered surfboard from Create Your Wave. When the lakes freeze, consider ice-fishing. Stay N' Play Tours welcomes guests from around the world who want to fish our lakes or snowmobile through our winter wonderland.

### **Experience our Festivals**

The award-winning, three-day Bala Cranberry Festival – always the weekend after Thanksgiving – celebrates its 36th year in 2020 and monies raised from festival passes go right back into the community. To further honour the cranberry, you can follow the Muskoka Cranberry Route which gives you the opportunity to sample cranberry-inspired dishes across Muskoka. The Pumpkin Festival is a one day fun fall fair in Rosseau. In Port Carling, it's all about frosty fun at Winterfest in February. The arts organization, Muskoka Chautauqua, offers up an Opera Festival in August and they also serve up Flavours,

a culinary event in support of the arts. The Muskoka Lakes Christmas Market is the place to shop for hand crafted gifts and more in Port Carling. Bala's Trek to Bethlehem transforms Bala into Bethlehem the first weekend in December. There's always a Muskoka Lakes event as part of the Muskoka Pride Festival in July. The Muskoka Lakes Chamber also organizes Spotlight on Muskoka Lakes where you can sample foods from many of our best restaurants, be tempted by a silent auction showcasing items from Chamber members, and dance the night away at The Kee to Bala.

### **Shop our boutiques and Farmers' Markets**

Check out the shopping section in this directory – you'll find stores with top brand clothing, Muskoka souvenirs, cottage and home décor, gardening needs and more in all our communities. Coming in from Highway 400 on Muskoka Road 38, check out The Wahta Station. You'll find more stores in Bala, Port Carling, Glen Orchard, Port Sandfield, Windermere, Rosseau and unique

pop up shops at the SWS Marina in Minett, to name just a few spots to browse. Our Farmers' Markets happen weekly throughout the summer in Bala on Mondays, Port Carling on Thursdays, and in Rosseau on Fridays.

### **Visit our Farms, Winery and Breweries**

No visit to Muskoka Lakes is complete without a visit to the Muskoka Lakes Farm and Winery, home of Johnston's Cranberry Marsh. At the over century old Brooklands Farm, you can pick your own berries and buy fresh vegetables, and it's a beautiful wedding venue. Here's a secret: a new brewery is in the works at Brooklands. To sample other local brews, drop in to Clear Lake Brewing in Torrance or Muskoka Brewery in Bracebridge. You can see the fish teeming at Milford Bay Trout Farm where you can buy their delicious smoked trout and pat  . New to the area is Maple Lodge Farm which is presently developing its sugar bush and not open for public visits – at least, not yet.

### **Take in a Concert**

For over 7 decades, The Kee to Bala has welcomed crowds for top acts, starting with the big band legends in the 1940s to popular bands of today. Keep an eye out for live music performances at our breweries and enjoy the BluesFest at the Muskoka Lakes Farm and Winery. For one day in August, musicians take to the streets of Port Carling for Midday Madness.

### **Learn about our history**

In Port Carling, you'll want to see The Wall, one of the world's largest photo mosaic installations: hundreds of separate historic photos come together to depict the Sagamo steaming through the locks. On Bartleman Island you'll find the Muskoka Lakes Museum. History comes alive here with exhibits retelling the history of our First Nations, our rich resort stories and you can visit an original pioneer log cabin. At the Muskoka Discovery Centre in Gravenhurst, you'll explore the roots of all of Muskoka: there's also a KidsZone there for educational play and an in-water display of antique boats. This year there's the bi-annual antique boat show in Port Carling along with the annual vintage boat show in Gravenhurst.

### **Drop by an art gallery**

On Foreman Road in Port Carling, you can view the work of local artists at the Muskoka Place Gallery (where you can also join painting classes) and at Heart of Nature Gallery. In Bracebridge, examine a History of Muskoka in etched glass at the Hinterglas Gallery. The Muskoka Autumn Studio tour in September and October is a must-do for art lovers.

# Food and Drink

Our region will surprise and delight you with a delightful variety of dining choices. Great pizza and wings. Award-winning fish and chips. Fine dining on and off water or overlooking one of our incredible golf courses. Met in your mouth fudge, Muskoka's largest hot chocolate bar and all flavours of ice cream. If it's yummy, it's here!

For home gourmets, be sure to check out specialty food providers, such as Field of Greens, Stephen's Butcher Shop, Rosseau Bakery and Variety, and other local grocers and foodie shops. We're also proud of our pubs, craft breweries and our famous winery. Our list of food and beverage providers is always growing. Search for what your palate desires at MuskokaLakesChamber.ca.

# Where to Shop

A thrill-of-the-hunt shopping experience awaits you in our region of Muskoka. You can come across one of a kind items in all of our many communities. Antique hunting? Red Barn Antiques is a must stop – an over 130-year-old barn with two levels of resident antique suppliers. Browse jewelry, clothing, art, cottage and home décor and more from Rosseau at the top of Lake Rosseau down through the lakes to Port Sandfield, Port Carling, Glen Orchard, Bala and Walker's Point. Some of our marinas have gift shops and marine supplies, of course. Coming in from Highway 400 along 38 through Wahta Mohawk Territory, stop in to The Wahta Station (also home of the famous Mrs. H's Fish and Chips) to shop tax free and to find quality moccasins. You'll discover great garden centres in or near Windermere,

Utterson, Bala and Port Carling for all the plants and décor you would ever need. For clothing and jewelry, the fashionistas at Overboard in Bala, Cabin Savvy in Glen Orchard and Muskoka Bay Clothing in Gravenhurst have an extraordinary eye for what will look great on you. Aunt Judy's has interesting pieces, too. Searching for home décor or unique gifts? You'll delight at what Simply Cottage, Cottage Cravings, Birchbark, Hilltop Interiors, The Smithy, Twig and Barrons have in store. Muskoka Emporium (home of the famous Wall) has a variety of stores within its doors – and you must taste the Lucky Duck Fudge sold at The Muskokery in the Muskoka Emporium – just one featured item at The Muskokery. Brown's Appliances is your go to spot for beautiful, top of the line appliances. You can also get great deals on furniture and appliances at The Brick. # BUYING OR SELLING IN MUSKOKA?

## Here's what our clients say:

Michelle and I were very lucky to have aligned with Gord and Tracy in our search for a Muskoka lakefront property. Based on their extensive knowledge of the area and our specific needs, they narrowed down our search to a four-season cottage that ticked all the boxes. Their level of service is top-notch and goes well beyond the closing date in everything from local knowledge of building codes to the provision of referrals for trades, we have not gone wrong with their advice. We have dealt with a number of real estate agents over the years and this is the first time that we have really felt compelled to provide a review based on Gord and Tracy's personal, friendly approach, high level of service and professionalism. Thanks again for all your help.

**Michelle & Graham W.**

To say that Gord & Tracy go the extra mile would be a vast understatement. They are friendly, knowledgeable, patient, and always made themselves available to answer questions and view listings. Their knowledge of the cottage market in general, and Muskoka real estate in particular was a valuable resource. We truly believe that they were not just interested in making "a sale", but were genuinely interested in finding the right fit for our family. We could not give them a higher recommendation.

**Geoff & Jill M.**

We are happy to share our wonderful experience with Julie. We wanted to check out the Muskoka market and happened to fall in love with the second place we saw. We thoroughly enjoyed our time there but had to sell due to family obligations. When the time came, we knew Julie would be the one for us. We remembered her being easy to talk to, accessible and efficient, which she certainly was again. She answered all our questions promptly and kept us informed. She helped us set an asking price that was fair to us and brought a lot of interest to the property. We quickly received multiple showings and offers for which Julie quickly gave us feedback and advice. The property sold quickly. We were very thankful and all parties were very happy.

**Greg and Isabelle M.**

# On the Water

As our region became a hotspot for summer visitors, boat building became a thriving industry and Muskoka became known as the wooden boat building capital of North America.

Many boat builders still ply their trade in Muskoka Lakes, making it possible to fulfill your dream of owning an enchanting classic watercraft.

To captain a wooden boat yourself, visit the Muskoka Launch Livery, just east of Port Carling on Lake Muskoka. It's the only place in North America where you can rent a classic Duke Playmate.

There are plenty of ways to rent or own something modern as well. Some marinas offer rentals and/or sell superior lines of boats. For example, Muskoka Boat Gallery specializes in Mastercraft, Crest and NauticStar while Bala Cove Marina is a dealer of Princecraft Boats. Other marinas offer more great boats, like The Cove, Walker's Point Marina and Pride Marine Group. Most marinas and boat shops offer service and storage as well. Don't forget Terence Marine for excellent dryland service in Bala and Port Anchor Marine in Port Carling.

For those interested in a more leisurely pace there are places to rent canoes and kayaks. Indian River Trading Company

sells everything from wakeboards and water skis to SUPs. On top of that, they have Muskoka's largest selection of outdoor furniture.

If you'd like to see how the pros do it on all kinds of gear, just stop by one of the area's famous water ski shows, which run weekday evenings throughout the region courtesy of the crew at Summer Water Sports.

## Choose to cruise

No trip to Muskoka Lakes is complete without a journey aboard one of our majestic cruise ships. The Wenonah II and the RMS Segwun (the oldest operating steamship in North America) sail out of the Muskoka Wharf in Gravenhurst, while the Lady Muskoka cruises Lake Muskoka from its port in Bracebridge. The Peerless II of Sunset Cruises tours the big lakes with a rotating daily schedule from the Port Carling locks.

For contact details for these and other boat sales, rental and service businesses, check out [MuskokaLakesChamber.ca](http://MuskokaLakesChamber.ca)

# VILLAGE OF ROSSEAU

The Village of Rosseau, is the quintessential cottage town, where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, the Classic Car and Antique Boat Show, the Rosseau Summer Regatta, the Rosseau Fall Fair, and the Thanksgiving Rosseau Pumpkin Festival.

# Grow Wild and Garden Local

When planning your garden, the Muskoka Lakes Chamber encourages you to consider using plants native to Muskoka.

Choosing local perennials makes your gardening life easier – and life better for local wildlife. Native plants are heartier and more resistant to pests and diseases and can be quite drought resistant. They also attract pollinators to your garden.

A diversity of local plants just makes sense. Once you've created a balanced ecosystem, your plants will be better able to withstand changing climate conditions. Plus, native plants have naturally adapted to our environment over time, so they're better equipped to survive than imported blooms.

Non-native plants can become invasive and degrading to local habitat. That includes plants from other parts of Ontario, so we caution against digging up plants and re-planting them to your property. They can also disrupt the natural food web of our local environment. Wildlife such as birds and butterflies rely on native plants to survive. By replacing them with foreign ones, you may reduce the viable habitats and food sources for these species.

Finally get advice from the experts. The next time you go plant shopping, be sure to check out Chamber member garden centres, and landscapers, and ask them what native plant selections they recommend.

## Choosing a Contractor

If you're looking to build in Muskoka Lakes, it's important that you select someone who knows the area and has a solid reputation.

As construction has increased in the Muskoka area, more and more experts established themselves here. Now end-to-end services can be found throughout the region. Whether it's an upgrade to your dock or building a new cottage from scratch, there's an experienced and professional business to tackle the job. Some specialize in permits, others as architects, roofers and electricians. Still others provide one stop shopping for all aspects of a project, or focus on restoration for insurance claims.

The bottom line is that you can find any service you need right here in Muskoka Lakes.

Hiring the right local  
business is the best  
decision. Let us help.

# Arts & Culture

Our beautiful region of Muskoka inspires artists and art lovers alike – and has done so for over a century.

In the early 1900s, Muskoka was known as Canada's literary summer capital, largely due to conferences held in 1916 and 1917 at Windermere House and Eglington House to provide study, sport and spiritual uplift.

Today, Chamber members such as Muskoka Chautauqua champion the arts in Muskoka with multi-disciplinary arts-based programs like live concerts, painting and literary workshops. Check out the Arts Festival in Windermere or Minette this summer.

Did you know that Muskoka Lakes is actually the birthplace of summer theatre? In 1934, what would come to be known as the Actors' Colony Theatre was launched in Bala, frequently drawing crowds to its summer productions.

Bala was also the home of Dunn's Pavilion starting in the summer of 1942. The venue saw such notable acts as Cab Calloway, the Dorsey Brothers and Duke Ellington in its early years. Renamed The Kee to Bala in the 1960s, it continues to draw some of the biggest names in music from Drake and Sam Roberts, to David Wilcox and Blue Rodeo.

Artist studios can be found down almost every side road in Muskoka. Experience them with the year-round ARTrail Muskoka - Purple Banner map or during the Muskoka Autumn Studio Tour.

Local history is on full display at the Muskoka Lakes Museum in Port Carling, and Bala's Museum — with memories of Lucy Maud Montgomery — is the Anne of Green Gables enthusiast's dream come true.

## About the Muskoka Lakes Chamber of Commerce

The Muskoka Lakes Chamber of Commerce traces its roots back to 1961 when the Bala District Chamber of Commerce was first incorporated by J. Baker. While reportedly active until 1969, it took a group of business owners to revive the need for a business organization in the early 1980s. That's when the Bala and Area Business Association came together.

Port Carling businesses began joining, and the West Muskoka Chamber of Commerce was born in 1990.

By 1999, Jane Templeton was the chamber manager, a post she worked at diligently while growing the membership for 17 years.

In 2003, the Chamber's name changed again to the Muskoka Lakes Chamber of Commerce to reflect its widespread membership across the municipality.

Today, the Chamber has almost 300 members and is truly the voice of business for organizations in and around Muskoka Lakes.
