MAYOR'S MESSAGE

Welcome to Muskoka Lakes

This is the year to enjoy the great outdoors, and we certainly have an abundance of it here in Muskoka Lakes. Breathe in the fresh Muskoka air at any time of the year on one of our eight amazing trails including Hardy Lake Provincial Park, Huckleberry Rock Lookout, and the Torrance Barrens Dark Sky Preserve; the first such protected area in Canada.

During the summer months, experience our picturesque lakeside locations by relaxing on a dock, enjoying a campfire, or having fun swimming, boating, fishing or water skiing. Enjoy the brilliant autumn leaves reflecting on our sparkling waters. For every season, there is a unique Muskoka to experience.

On behalf of the Township and our residents, I am pleased to welcome you to the Township of Muskoka Lakes. The most discussed topic of the day, week, month and year is of course Covid-19. Like you, our businesses in Muskoka, Council and staff are also adjusting to this new reality. We truly understand how disruptive this situation has been and we want to continue to work together to ensure that we safely navigate these turbulent times, while protecting that which we love - the spirit of Muskoka.

As the economy continues to reinvent itself, more businesses are looking to resume operations often in a modified format. Visitors and locals alike are encouraged to shop local in a safe manner. Local businesses are the heartbeat of our community. Now more than ever they need our support.

While we all look forward to the day when this pandemic is behind us, I want to thank all the front-line workers for their dedication during the Covid-19 pandemic as well as the retailers and patrons who have adapted to these most uncertain of times.

Muskoka may mean different things to different people, but most agree that its natural charm and beauty are unmatched. Muskoka Lakes is iconic cottage country and hosts visitors from around the world. Many return year after year because no matter where they call home, the unique character and history of the area holds a special place in their heart.

Phil Harding

Mayor, Township of Muskoka Lakes

OUR BACKYARD BUCKET LIST

Seven great things to do in 2021-2022

Up for a challenge? Our around the lakes bucket list for 2021-2022 offers seven suggested activities for you to enjoy. We have a feeling you'll come back to do them again, and again! And there's much more to see and do. We bet even our lifelong residents haven't visited all our enchanting communities. Been to Bear Cave lately? It's our northernmost hamlet. Each community and waterway has its own storied history, from Rosseau on the north shore of Lake Rosseau to Walker's Point on Lake Muskoka at the south end of Muskoka Lakes township. You really haven't lived until you tour our scenic lakes, learn new tricks on the water, tee off on our fairways, or stop in at one of our magnificent resorts. Visitor or resident, we challenge you to enjoy these seven wonders of our world.

#1 Dine Under the Stars

Imagine dining outside, while warm and cozy in winter, under a bed of brilliant stars in the ice caves at the JW Marriott The Rosseau Muskoka Resort and Spa. Every season in Muskoka Lakes offers unique pleasures for you to experience.

Photo Mario Madau

#2 Cruise our Great Lakes

The waters of Lake Muskoka are home to the RMS Segwun, the oldest operating steam ship in North America, and one of only three ships in the world to carry Royal Mail Ship (RMS) status. Sailing on the Segwun at sunset is magical. For tons of fun, book the pirate cruise on the Wenonah II. The Peerless II, The Tom Thomson, and Lady Rosseau are excellent choices touring from the hub of the lakes in Port Carling.

#3 Take a Hike

Our hiking trails have their own personality, if you will. Often they save their best views for last, so be sure to hike all the way to the trails end.

#4 Jump in a Cranberry Bog

Throw on a pair of chest waders and take the plunge. Where else can you splash around in a sea of bright, red fruit?

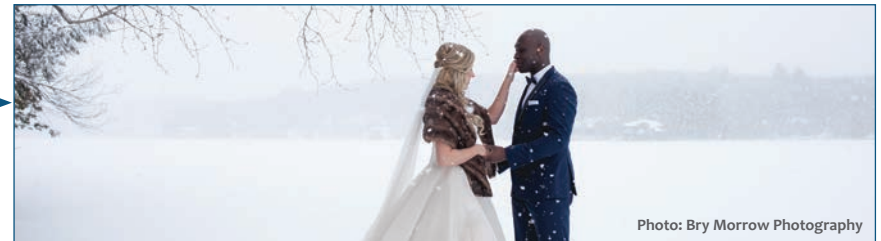

#5 Learn to Fly Board

Flip, flop and fly your way onto the bucket list with a flyboard lesson at one of our ski and wakeboard schools. You'll take flight with some of the world's best riders. If you can do it on water, they'll show you how.

#6 Visit our Famous Resorts

Sip a cool drink overlooking Lakes Rosseau, Joseph or Muskoka at one of our stunning resorts. Old Muskoka charm is steeped in romantic places such as the Sherwood Inn, where couples have said I do for over 80 years.

#7 See Santa in Summer

Santa has always summered in Muskoka. Somewhere along the line, his secret got out, and Santa's Village became Muskoka's theme park in Bracebridge in 1955. You can sometimes catch Santa on the roller coaster but nobody's ever spotted him on the zip line... maybe he gets enough aerial action on Christmas Eve.

Unique finds and surprise delights

Discover a special kind of retail therapy.

Artisans of food, award-winning wines, clothing, art, cottage decor, and more call Muskoka Lakes home. Hunt for treasures in an over century old barn stuffed with antiques. Drop in to a farmers' market. See where iconic Muskoka chairs are built. From comfy dock wear to evening dresses or golf gloves and Muskoka hoodies, you'll look great after visiting our well-established clothing stores. Perhaps your mouth waters for made-in-Muskoka fudge, local craft beers, or special Muskoka tea blends. Explore all our communities for a one-of-a-kind shopping adventure: there are surprises to be found on the water and off the beaten path. Shops line Port Carling, Bala and Rosseau from end to end, and don't miss open air pop-up shops, like those in Minett. You'll find gifts at some marinas, too.

When in Muskoka, please bring something home to remember us by. If you're pining for the lakes from afar, visit our growing online marketplace at ShopMuskokaLakes.ca to shop local Muskoka, anytime.

CONSIDERING BUYING OR SELLING? LET US HELP.

Here's what our clients say:

Gord and Tracy were much more than just agents for us, they were an invaluable resource and trusted advisers. In the purchase of our first ever cottage they understood our needs and limitations and offered us real advice on where would get the most enjoyment, the best value, and always went the extra mile to make sure we were happy and set up for success - very responsive even to all our questions after closing... And, more than just business agents they are lovely people and a pleasure to spend time with, people we trust and are glad we did so. We called them because of a Gord Waites billboard and now that we're in our cottage we feel very happy that we did as we drive past one of those billboards every time on the final part of our drive up. Thank you Gord and Tracy

Richard & Katey W.

My wife and I have been looking for that perfect summer cottage getaway for our family for almost 3 summers now. Gord and Tracy have been by our sides providing outstanding advice and service throughout very selective process and journey. This summer we struck gold recently purchasing and closing on our own little piece of paradise in Muskoka. I am a mortgage lender and broker for over 30 years and have dealt with hundreds of realtors over my career. However, none are quite as exceptional and knowledgeable as Gord and Tracy. We received extremely valuable advice and direction on what property was over priced or in a poor location due to such factors as consistent low water levels and other factors effecting boating and/or accessibility. Gord provided key information regarding heating, insulation, construction, and water frontage and so many concerns that come up that only a highly experienced realtor with local Muskoka knowledge could provide. If you are looking for outstanding service, from a knowledgeable, real-estate team in Muskoka, look no further. Gord and Tracy are the greatest!

David and Penny M.

Thanks for all your help - the sale, the purchase, the storage, and the great advice and guidance. Gord managed the sale of our beloved lakeside cottage with care, maximizing the appeal and outcome to our advantage. At the same time we were selling in 2019, Gord and Tracy also helped us find our dream cottage on Lake Muskoka, taking time to understand our needs and then finding the right fit for the next chapter for our family. The complexities around both transactions were handled with expertise, honesty, and unflappable calm. Gord and Tracy are an outstanding team, and we would recommend them without reservation for anyone looking to sell or purchase in cottage country.

George & Elizabeth H.

LAKE LIFE

Cruise, paddle and ride the waves

Oh, Captain, my Captain. Boating is better in Muskoka Lakes — whether cruising in the family's new boat, or in one of our famous antique launches. Over a century ago, Muskoka became known as the wooden boat building capital of North America.

On one of our tour boats, your captain will regale you with tales of cottage life and history on Lakes Muskoka, Rosseau and Joseph. Step aboard the historic RMS Segwun or the Wenonah II in Gravenhurst, or catch the Peerless II, the Lady Rosseau or Tom Thomson out of Port Carling. Boat rentals are snatched up fast, so contact our marinas early if you want to explore on your own. You can even rent a classic Duke Playmate for a leisurely and now even more quiet wander with some boats equipped with electric motors.

For the action oriented, we have water ski and wake schools on all our big lakes, and some will come right to your dock. Yes, flyboarding is as fun as it looks, so give it a try!

Buying a boat? Talk with an expert who takes time to understand your needs and knows the lake you're using your boat on. They'll give you great insights, and our Chamber Member marinas will serve you well. For self-propelled gear, consider a jet powered surfboard, or drop into Indian River Trading Company. They offer everything from SUPs to wakeboards, along with Muskoka's largest selection of outdoor furniture for extra comfy dock time.

To connect with any of our water attractions, boat sales, rental and service businesses, check out MuskokaLakesChamber.ca

VILLAGE OF ROSSEAU

The Village of Rosseau, is the quintessential cottage town, where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, and the Rosseau Fall Fair.

GARDENING

Volunteers help our communities bloom

Every year, it's great to see fully planted canoes and hanging flower baskets across our region. Volunteers with groups like Bala in Bloom and Port Carling in Bloom are to thank for keeping our gardens growing – for over 20 years in Bala and Port Carling in Bloom has been at it for twice as long.

In summer, perennial gardens provide an abundance of colour in Bala from Windsor Park to the Post Office, while hanging baskets line Highways 38 & 169. In winter, the downtown is dressed up with skis, hearts and Easter eggs. In 2020, Bala in Bloom planted a perennial garden at Andy's House, the Residential Hospice in Port Carling, and they also maintain the Heritage Walk brochures, signage and dog stations around Bala. Port Carling volunteers plant and maintain 11 gardens, 33 bridge boxes, and 30 hanging baskets, and this year are creating a Community Garden Centre in Archdeacon Park. They also have a raised walk-in garden there where the community helps itself to vegetables, and they're nurturing two young fruit trees.

What plants work best, according to our resident gardeners? Always think native flora first. Like Jack-in-the-Pulpit, Joe Pye Weed, Trilliums, Milkweed, Wild Bergamot, and Blue Vervain, to name a few!

Both Bala in Bloom and Port Carling in Bloom are looking for volunteers, especially in the spring and fall, and everyone — all ages, any experience, year-round and seasonal — are most welcome. Their efforts are COVID safe and compliant, and joining a blooming crew is a great way for high school students to earn community service hours. Gardening is fun, good exercise, and you'll pick up tips from both beginner and master gardeners. Plus, you'll enjoy that warm community feeling by pitching in.

In Port Carling, contact Dianne Darragh diannedar@aol.com

In Bala, contact Jenn Overend at jmcoverend@hotmail.com

CONTRACTING

Getting it right the first time

Whether you're building or renovating, installing or repairing, getting it right starts by choosing right. Chamber Member contractors and complementary service providers know what works in Muskoka Lakes. You'll find them featured in these pages and listed in the Muskoka Lakes Chamber business index.

As the demand for home improvements continues to grow and change, we have more experts than ever to serve your specific needs. Plumbers. Environmental technologists. Master electricians. Need a lift up a cliff from your dock to your house? We know a guy. Need your HVAC system looked at? We know a gal. Crib rotted out? Our contractors know docks, and build with our changing seasons in mind.

What's more, our Chamber Member contractors are great at referring you to other solid service providers.

For example, a good property manager can connect you to all sorts of services – if they don't do it themselves. Who you know really counts in cottage country.

Hiring the right local
business is the best
decision. Let us help.

ARTS & CULTURE

Celebrating our artistic centennial

In summer 1921, Chautauqua launched its first Canadian chapter in Muskoka on beautiful Lake Rosseau. 100 years later, Muskoka Chautauqua is planning a celebratory 2021 summer festival in August on those same beautiful Lake Rosseau shores in the historic village of Windermere. The celebration promises an exciting, diverse line-up of arts and culture programming. (See ad on opposite page).

The Chautauqua Institution itself was founded in Chautauqua, New York in 1874, and the Chautauqua movement spread throughout North America. Today Chautauqua continues to celebrate its ideals of life-long learning and self-improvement through arts and culture.

Muskoka has always had a rich artistic community. The Muskoka Place Gallery is also the home office of Muskoka Chautauqua. Be sure to visit other Chamber Member art galleries – including Heart of Nature Gallery in Port Carling and Hinterglas Studio Gallery in Bracebridge.

While Chautauqua made its mark in Canada here in Muskoka, the first summer theatre was also born here by the Actors' Colony Theatre in Bala in 1934. All that was missing was some big band music – which Gerry Dunn brought to Bala in 1942 with Dunn's Pavilion, now The Kee to Bala. More history can be discovered at Bala's Museum, also known as the Anne of Green Gables museum because of its connection to author Lucy Maud Montgomery. The Muskoka Lakes Museum in Port Carling shares stories of our region's Indigenous peoples, the region's famous boatbuilders, and over a century of resort and cottaging lifestyle.

About the Chamber

The Muskoka Lakes Chamber of Commerce traces its roots back to 1961 when the Bala District Chamber of Commerce was first incorporated by J. Baker. While reportedly active until 1969, it took a group of business owners to revive the need for a business organization in the early 1980s. That's when the Bala and Area Business Association came together.

Port Carling businesses began joining, and the West Muskoka Chamber of Commerce was born in 1990.

By 1999, Jane Templeton was the chamber manager, a post she worked at diligently while growing the Membership for 17 years.

In 2003, the Chamber's name changed again to the Muskoka Lakes Chamber of Commerce to reflect its widespread Membership.

Today, the Chamber serves more than 300 Members and is truly the voice of business for organizations in and around Muskoka Lakes.
