## EXPLORE our paradise in all seasons

Muskoka is known as Canada's cottage country capital, and that's mostly due to the summer season. And no wonder. Lying on a dock with the summer sun on your face while all cares melt away brings an unmatched feeling of relaxing bliss. Here's a secret: you can bask in our sunshine all year round in ways you may never have imagined. There is so much life beyond the dock, and much to explore in every season.

### Summer sensations

Our three great lakes: Muskoka, Rosseau and Joseph (followed closely by the oh-so-clear Skeleton Lake) are a big draw. Around every corner, our small lakes offer their own distinct charms.

It's no surprise that some of the world's top watersport athletes return to our lakes in summer, and you just might find one of them is teaching you new tricks topside. There are watersport clinics at marinas and resorts, and watersport experts can even come right to your dock. Plus, you can catch thrills watching the ski shows – a tradition for over half a century. Bush's Watersports built Muskoka's first cable park so you can learn to get up on a wakeboard quickly with no wake to worry about. Our marinas offer learn to boat and boating safety courses, too.

Cultural experiences are here for you in summer as well. Wander through our history in the Muskoka Lakes Museum at the Port Carling Locks, and visit Bala's Museum with memories of Lucy

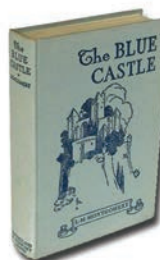

Maud Montgomery. She may be world famous for her Anne of Green Gables series but she penned some of The Blue Castle during a stay on Moon River – another breathtaking waterway you'll want to take in from the view at Bala Falls.

The arts organization Muskoka Chautauqua celebrates our past intellectual and artistic history: we became known as Canada's literary capital over a century ago when writers and deep

thinkers would gather at the then Elgin House on Lake Rosseau to share stimulating conversations. Think Ted Talks with the mighty pen as the leading technology. And no history of Muskoka Lakes would be complete without

seeing The Kee to Bala, formerly Dunn's Pavilion built in 1942. Close your eyes on a summer's evening and imagine the couples swirling round the dance floor to the big band sounds of Duke Ellington or Louis Armstrong. Or jump to the late 1960s and early 70s as bands just starting out rocked the pavilion then known as The Kee on their way to stardom.

*"Bala is a dear spot."*

*L.M. Montgomery's diary*

*100 Years Ago...  
in 1922*

Celebrate at Bala's Museum 705-762-5876

## Spectacular Fall

Autumn is when the cranberries are harvested; the trees are ablaze in red, yellow and gold, and it's festival season. The multiple award-winning Bala Cranberry Festival is always the

weekend after Canadian Thanksgiving. The newer Muskoka Oktoberfest follows suit: it's now always the weekend after what the locals simply call 'Cranberry'. Some of our cruise boats stay on the water until the end of October, weather dependent. Autumn in Muskoka is a photographer's dream. If you prefer a paint brush, meet up with the Bala Plein Air Group to capture our inspiring outdoors in summer and fall.

A visit to his theme park, Santa's Village, is a must for all ages. A quieter must-visit is Aspen Valley Wildlife Sanctuary, where you'll learn about black bears, coyotes, wolves, moose, bobcats, and all animals native to Ontario.

## Winter sparkles

A sunny day after a snowfall will take your breath away. Some resorts, camps and attractions will lend you snowshoes, skis, fat bikes or skates to hike our trails, and it's a magical evening skating on top of a cranberry bog lit up with hundreds of tiki torches. Make plans with Muskoka Stay N' Play Tours for a snowmobiling or ice fishing expedition. On a clear night, marvel at the stars at the world's first dark sky preserve, the Torrance Barrens.

## Spring so sweet

Embrace the chill of winter because spring comes suddenly and the changes are dramatic. The sap is running and our farms begin producing maple syrup. Birds are returning. Our waterfalls will thrill you as the spring melt rushes down from Algonquin Park (just be careful as you marvel at this awe-inspiring show of power). Seeing the forest come alive again from our trails makes for unforgettable hikes. Perhaps the best part of spring is that it

heralds the return of our summer friends as they begin to open up their cottages again for the lazy days of summer still to come.

## STAY

From simple to sublime, there's a place for you in Muskoka Lakes.

Perhaps you're staying at a friend's cottage? You can still get a taste of our grand resort tradition. Sip a cool rosé on a warm afternoon from a Muskoka chair at Windermere House. Slip into the HydroSpa at JW Marriott The Rosseau Muskoka Resort & Spa. Dine high above Lake Muskoka at Touchstone Resort. Villas of Muskoka is just below Touchstone. On Lake Joseph, there's some availability at The Muskokan on Lake Joseph. Sherwood Inn, possibly Muskoka's most romantic inn, is where couples say "I Do" in every season.

Families come back year after year to Beachside Cottages, Duff's Cottages, The New Baldwins Resort and Shamrock Lodge. Muskoka Hotel and Suites on Lake Rosseau is right in Port Carling so you can walk to all the shops. In Bala, choose our motels (the Bala-Hy or Dudley's Inn) or House on the Hill B&B. For a different

experience, Canada's first BeerSpa is in Torrance where you can book cabins all year round. The Rosseau Retreat is a beautiful century-old B&B in Rosseau.

Port Severn offers Severn Lodge and Rawley Resort, Spa & Marina. Our region doesn't have many camp sites nearby, but trailer sites are waiting for you at Gullwing Lake Park and Butterfly Lake Resort. See our Business Index starting on page 61 for all our accommodator Chamber Members, including luxury Cottage Rental agencies.

Art. Antiques. Gourmet foods. One-of-a-kind, everything. You'll be delighted at what you'll find.

Here's where to buy the iconic Muskoka Chair, and award-winning cranberry wines. And Muskoka is THE place to shop for cottage décor. In Port Carling, be sure to explore both sides of the Locks for designer havens in the Muskoka Emporium and in Edgewater. Our appliance stores offer chic fixtures, and you can get happily lost browsing in our garden centres, not to mention our many gift stores.

Of course, you'll need the perfect dress for a sunset dock party. Campfires call for comfy loungewear you can pair with moccasins from The Wahta Station.

# COMMUNITY

Many dedicated service clubs, community groups and businesses do everything from keeping garden beds blooming to helping seniors and holding fundraising events for causes to make the greater Muskoka Lakes even greater.

It's impossible to list all good deeds here, but... The Habitat for Humanity Bala Build is under way; the Freezin' for a Reason polar bear dip sends more kids to YMCA Camp Pine Crest; The Bracebridge-Muskoka Lakes Rotary Club's annual gala raises money this year for healthcare and more needs, and Big Brothers Big Sisters Muskoka is seeking donations to find 'bigs' for 'littles' waiting patiently in Muskoka Lakes.

Good works are ongoing: volunteerism is weaved into the soul of our community. Watch for upcoming events to give back, and to volunteer or donate, contact the Chamber. We'll connect you!

## Thank you Harry Debes Family Foundation

Community leaders gathered on the grounds of Trinity All Saints Church in Bala to celebrate the church's 100th anniversary, and all organizations marking similar milestones of between 20 and 150 years. Here we thanked Harry Debes and family for their years of generous financial support for the Muskoka Lakes Preschool, West Muskoka Food Bank, and Andy's House Hospice, to name just a few vital lifelines for Muskoka Lakes.

# VILLAGE OF ROSSEAU

The Village of Rosseau, is the quintessential cottage town, where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, and the Rosseau Fall Fair.

# PLAY

We're all about the great outdoors in Muskoka Lakes. Just get out there. Pursue your passions. Find new ones. You can be on or near water for activities as thrilling or as calm as you please.

Get your bearings first on a scenic cruise. The Royal Mail Ship Segwun is North America's oldest operating steam ship. It's always a majestic sight (and a great photo opportunity) when the Segwun or Wenonah II sail past.

On our boat tours, your captain will regale you with century-old tales and recent exploits on the lakes. The Port Carling Locks are home to the Peerless II and Lady Rosseau for group and private outings. Prefer to explore on your own? Boat rentals go fast, so contact our marinas early. For a leisurely cruise and unique experience, you can captain an antique wooden boat built in Port Carling.

Because in Muskoka, who you buy your boat from is as important as the boat you buy.

For active fun, we have water sports schools. Flyboarding, anyone? If you're looking to buy your own boat or active gear, choose local as our marina experts can match your desires with the right choices for our lakes.

Off water, we have beautiful trails and lookouts, exceptional golf courses, and as Bala is the Cranberry Capital of Ontario, a stop at the cranberry farm and winery is a must.

# GOLF

Teeing up in Muskoka Lakes is a happy pastime for many. Some Chamber Member Golf Clubs cater to private Club members only, so you might have to know someone, but there are exceptions. They can be open to the public for special Juniors, Ladies, Family or Men's Days or Nights. Watch for fundraising golf tournaments, and fun fact: The Muskoka Lakes Golf & Country Club has been the host for the Muskoka Lakes Association (MLA) annual regatta ever since 1920.

Where can the public golf? Hit the links at The Rock Golf Club, designed by the legendary Nick Faldo. Spring and fall tee times are easier to book, and the fall colours are outstanding. Even if you don't play, The Rock Grill and Patio is a lovely place to dine, and

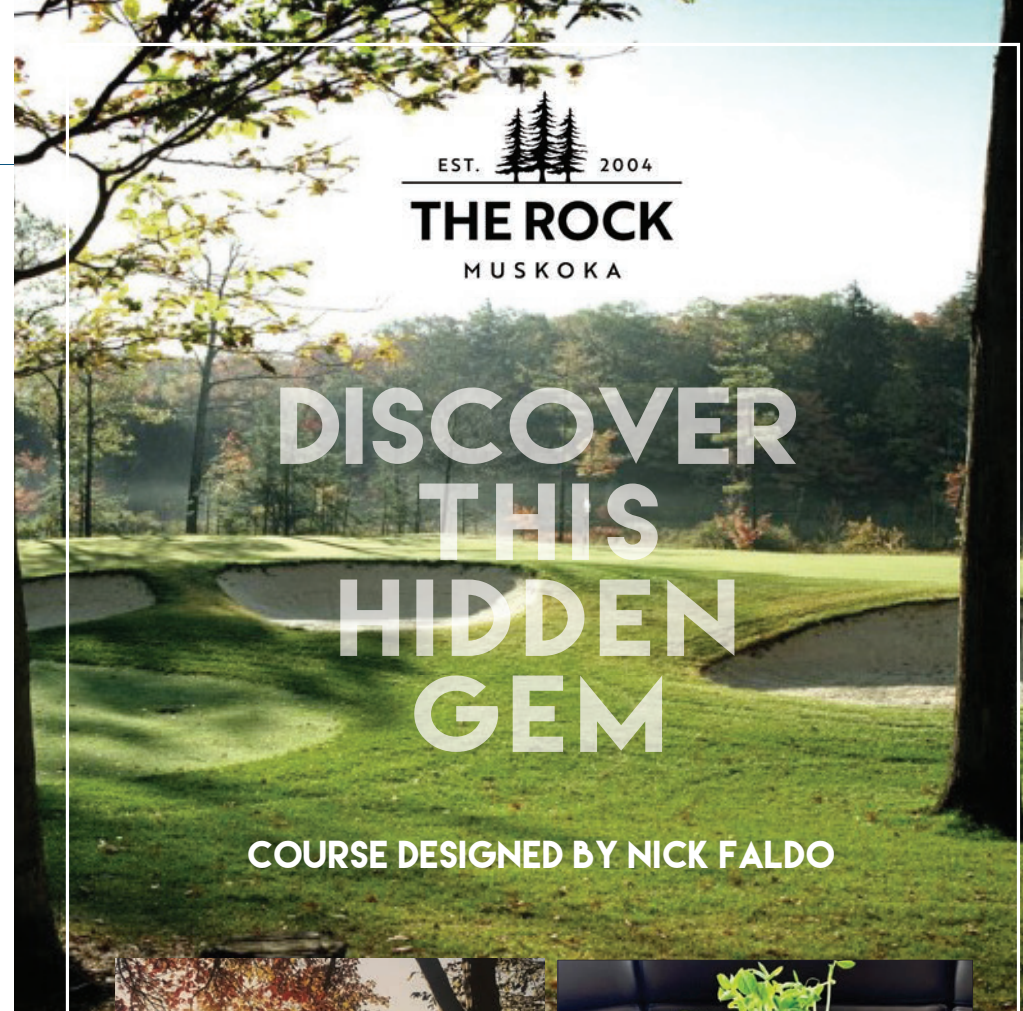

local musicians are there on special nights to entertain you.

A unique feature of Muskoka Lakes is that our Township owns the Milford Manor Golf Course in Milford Bay. Where else can you play by the honour system? You drop a few bucks at the entrance, and go on to enjoy 9 holes (or 18 if you play through twice). It's good for beginners and affordable fun for the more advanced.

The Muskoka Lakes Chamber is proud to list these superb courses as Chamber Members:

Muskoka Lakes Golf and Country Club, Port Carling  
Windermere Golf and Country Club, Windermere  
North Granite Ridge Golf and Country Club, Port Sydney  
The Rock Golf Club, Minett

For contact information, see Sports & Leisure in our Business Index starting on page 74.

COURSE DESIGNED BY NICK FALDO

The Rock Golf Club has been artfully sculpted on the shores of one of Muskoka's premier lakes on Lake Rosseau. Using the site's dynamic topography, the 6649-yard course is carved tight with narrow tree-lined fairways and sloping greens that wind through rock outcroppings, hardwood trees and rolling hills.

# Must-Try Trails

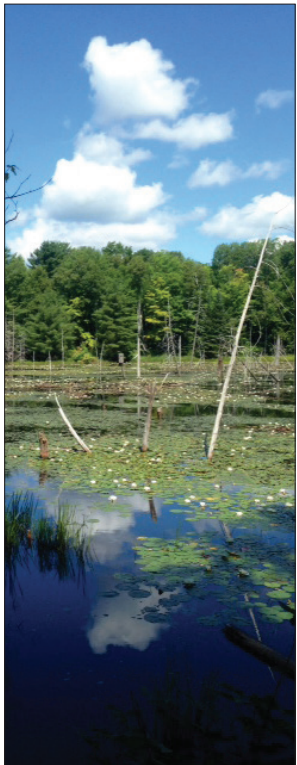

Slip on some sturdy walking shoes, grab your camera and water bottle, and head out on our trails. You'll experience a whole other side of stunning cottage country. Please see the map at the end of this guide for trail locations, and here's a brief description of some well and lesser-known hiker havens.

Torrance Barrens Conservation and Dark Sky Preserve and Hardy Lake Provincial Park are both at the south end of Muskoka Lakes and are managed by the Ontario government. In 1999, the Barrens was designated as Canada's first permanent Dark Sky Reserve – a protected space free from urban light pollution. Like its name, it offers a barren landscape with rocky ridges, wetlands, and a leafy trail ending at Pine Lake. A different experience awaits you at

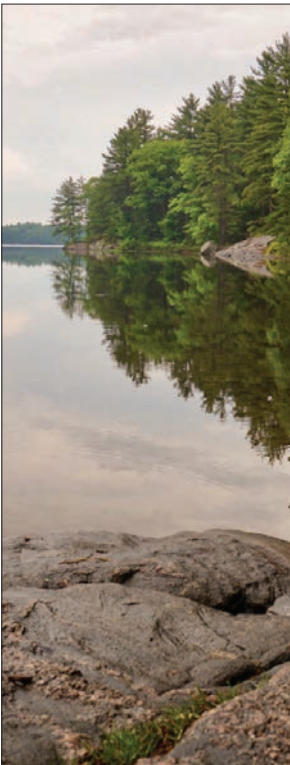

Hardy Lake. The deeply forested and often lakeside trail loops are very popular with visitors, so get there early.

Our lesser-known gems offer their own delights, including the falls at Skeleton Lake Fish Hatchery Trail near Windermere. While you're in the more northern end of Muskoka Lakes, take a hike on Raymond Trail at Raymond or Weir Lake Trail near Bent River.

Right in Port Carling is Hazelwood Trail which winds first past a golf course and then you're on a definitely deciduous trek. To lookout over Lake Muskoka, you have two choices: Huckleberry Rock Lookout just east of Port Carling or Walkers Point Lookout (and at the right time of day you might see the Segwun chug past).
