SEE MORE IN 2023 & 2024

Seeking a real Muskoka Lakes experience? Whether you're here for a few days, weeks or a longer stay, here are some great ways to spend quality Muskoka time.

WATCH A SKI SHOW

Since the 1960s, the ski show has been a quintessential Muskoka experience. Barefooting, skier pyramids and tricks are all part of this entertaining family outing.

CATCH A CONCERT - thekee.com

The Kee to Bala has been bringing musicians and crowds to match since 1942.

There's nothing like being a concertgoer in an 81-year-old dance hall that's played host to legends Duke Ellington, Count Basie and Louis Armstrong. This summer's lineup includes The Trews, Metric, April Wine and Sam Roberts Band.

BE FESTIVE AT A FESTIVAL

Get out and celebrate with others at the Muskoka Chautauqua Summer Arts Festival, Shake the Lake Music Festival, Bala Cranberry Festival, Oktoberfest Muskoka and Port Carling Winterfest. These events offer their own uniquely Muskokan flavour featuring local artists, food and fun.

SPY ON WILDLIFE

It's not unusual to see a turtle or loon when sitting quietly on your dock. You may even catch a glimpse of a raccoon, fox or deer and watch out for porcupines.

But, if you're looking for a sure thing, visit Aspen Valley Wildlife Sanctuary. From permanent residents to rehabilitating animals, Aspen Valley is devoted to helping animals in need. It is open for public tours by appointment only.

For the best view of Muskoka, get out on the water. Enjoy a cruise with Sunset Cruise's Peerless II, Muskoka Steamships & Discovery Centre's Wenonah II or famous RMS Segwun or climb aboard Lady Rosseau or Muskoka Gaga from Muskoka Cruises. A tour in a power boat, classic wooden craft or even a fishing boat is also an excellent way to see the beauty from this watery perspective.

HIKE OUR TRAILS

Our area has trails for every ability and interest. Some trails go through forests, others cross vast expanses of Canadian Shield bedrock, while some follow along the water's edge and many are a mix of all. Enjoy breathtaking vistas along the way.

STAY

From simple to sublime, you'll find your perfect place here.

Wonder at the view from Windermere House or choose the heart of Port Carling at Muskoka Hotel Suites or Bartwood Manor. The HydroSpa awaits at JW Marriott The Rosseau Muskoka Resort & Spa, also home to a distinctive ICEBAR.

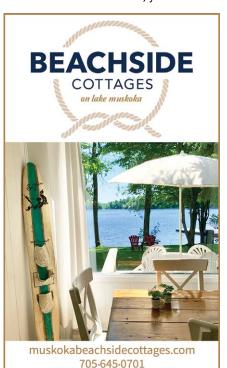

Families return yearly to Beachside Cottages, Duff's Cottages and Shamrock Lodge. High above Lake Muskoka is Touchstone Resort with Villas of Muskoka just below.

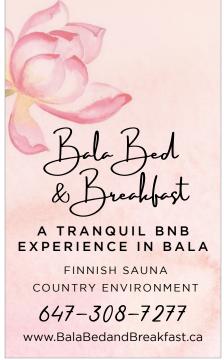

Club Muskoka at Granite Ridge is at the south end of Lake Muskoka. On either side of Gravenhurst, you'll find

Muskoka Bay Resort or Lantern Bay Resort. Reserve a motel or B&B in Bala, or experience the Muskoka BeerSpa in Torrance. Port Severn offers Severn Lodge and Rawley Resort.

On Lake Joseph, there's The Muskokan on Lake Joseph and you can stay or dine at one of Muskoka's most romantic resorts, Sherwood Inn.

DÉCOR TIPS

Lena Patten of HillTop Interiors: "Being amongst nature is therapy. Bring nature into your home with natural materials, soft furnishings and neutral earthy tones and colours."

Christina Shane of Simply Cottage: Consider your lifestyle first. "Maybe you have large family gatherings, or your fur family spends a lot of time on the sofa. Your furniture and décor should add practicality, value, and comfort to enhance your life."

Karen Thistlewaite of Lakeside Living on outdoor décor: "Statement pieces, such as large planters, lighting, outdoor carpets, heaters and greenery elevate your outdoor living space. Waterfalls

enhance any living space and flowing water allows guests to experience the healing power of nature."

Yesteryear and Present Day

Muskokans have been swimming in our lakes, boating, fishing and gathering on verandas for over a century.

Early tourism materials describe our area as a beautiful place with clean air and a cool breeze. Many came to escape the humid, polluted condition of city life. In the early 1900s, photographer Frank Micklethwaite captured cottage life. His Muskoka log from 1892 to 1904 has over 2000 photos.

Fascinated by our history and connected to Muskoka by family ancestors who summered on Buck Island until 1928, photographer Erika Walker became equally enthralled with Micklethwaite's photos.

"I realized that what he documented is not much different than what we do today at the cottage," she says.

Inspired, Walker has replicated these historic photos by posing her family and friends in similar ways to the depictions from years ago. "This is what life looked like then and it's what it looks like now," she says.

Walker sought out Frank's grandson Bill for permission to pay homage to his grandfather's work. The results? A reminder that despite a century gone by, Muskoka is still enjoyed the same way today. Swimming, fishing, gathering with friends by the water, and boating: the Muskoka lifestyle is timeless.

Photography by: Erika Hanchar-Walker | Walker Photography Company

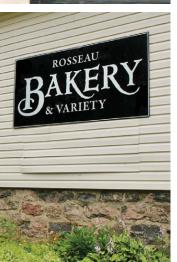

In 1910, a cruise on the Sagamo was likely for transport to or from the cottage or resort. Today guests arrive by car but cruise on ships, like the Peerless II, to sightsee on Muskoka lakes.

VILLAGE O

f Rosseau

The Village of Rosseau is the quintessential cottage town where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is the home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, and the Rosseau Fall Fair.

PLAY

The great outdoors is what originally attracted people to Muskoka Lakes and it still draws them today. You'll find sparkling waters, stunning granite flats and cliffs, and forests galore. When outdoor beauty beckons, it's impossible to stay indoors.

Get in the water. Jump in a lake or river and go for a swim. Get out on the water. Try kayaking or canoeing into a quiet back corner and find water lilies and lily pads. Get a different perspective, and use a few new muscles on a paddle board. When the snow flies, give fat biking or snowshoeing a try.

Golf is a favourite pastime here as Muskoka Lakes is home to some of the top courses in Canada. In one week, you could play a different course every day.

Water-skiing is an experience like no other. There's an adrenaline rush as the boat pulls you out of the water and you glide along on the surface. As well as waterskiing, there's wakeboarding, wake surfing and fly-boarding. Get a lesson, some friends and have some fun.

Tennis is a summer sport and a few lessons can go a long way. Keep your kids busy at the Lake Joseph Club's tennis camp. In fall, your photo skills will be tested as you capture brilliant autumn scenes.

There is nothing quite like spending time outside (here), and you can't

leave without ending at least one day admiring a Muskoka sun set. Stay out longer and relax into the quiet darkness while you watch for falling stars. Our dark skies are some of the best anywhere. The Torrance Barrens Dark Sky preserve was declared the world's first dark sky preservation area in 1999.

LAKE FACTS

Visitors often ask, where is the deepest spot in Lake Muskoka? It's just off Crown Island at 220 feet (about 67m). Don't even think about trying to swim to touch the bottom there.

The big three lakes, Muskoka, Rosseau and Joseph have a total of 320 islands. Of those, 200 are on Lake Muskoka and 60 each are on Lake Rosseau and Lake Joe.

Thanks to Captain Randy Potts of Sunset Cruises for these facts.
