Favourite Things to See and Do

WANDER ON THE WATER

Some of the best views of cottage country are from our lakes. We're home to the iconic big three: Lakes Joseph, Rosseau and Muskoka. Choose to cruise aboard North America's oldest operating steamship, the *RMS Segwun*, or her fleet sister, *Wenonah II*, both out of Gravenhurst. Sunset Cruises shares an intimate experience aboard the *Peerless II* at the Port Carling Locks. Muskoka Cruises offers the *Lady Muskoka II* from Bracebridge and the *Lady Rosseau* in Port Carling.

THRILL TO PRO TRICKS AT A SKI SHOW OR GIVE IT A GO YOURSELF

The tradition returns to Bala on Tuesdays with the Summer Water Sports (SWS) ski show. The jumps, the flyboards, the splash zone: bring a chair or blanket for all family fun. Muskoka Extreme puts the X into extreme during their shows on Wednesdays and Thursdays in Gravenhurst. SWS, Muskoka Extreme, SOAR and Muskoka Wake can teach you hot tricks in group camps or set you up at your dock. Ask about electric surfboard demos: Create Your Wave was first to bring these to Muskoka.

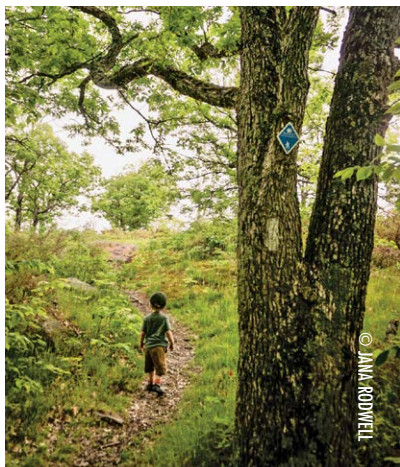

OUR LAKES ARE ALIVE... WITH THE SOUND OF MUSIC

Catch a concert at the historic Kee to Bala, check out the line up at the Tall Pines and Shake the Lake music festivals, and our restaurants, beer gardens, coffeehouses and Legions feature a variety of artists and tribute bands all year round.

LACE UP YOUR HIKING SHOES

From barren to bushy, forge a new trail path. At the south end of Muskoka Lakes, three hiking havens offer very different landscapes. Follow low ridges of the Precambrian Shield formed over two billion years ago at the aptly named Torrance Barrens, also the world's first Dark Sky Preserve. If you have energy left, head to Hardy Lake for a leafy lakeside walk. Be warned: you'll see many humans here. Or make the gradual climb to the Walker's Point Lookout. At the north end of Lake Muskoka, the view you can't miss is the one from Huckleberry Rock. There are nine hiking trail areas in Muskoka Lakes and we encourage you to choose a path less travelled, such as the Weir Lake Trail near Bent River and the falls are lovely on the Skeleton Lake Fish Hatchery Trail.

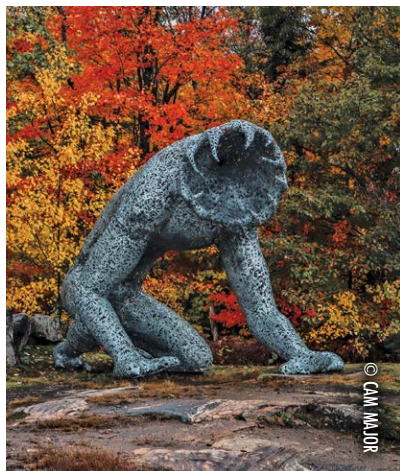

WALK ON THE WILDER SIDE

A guided tour at Aspen Valley Wildlife Sanctuary helps pay for the rehabilitation of hundreds of animals and it's a great family learning adventure. Here you'll see only those that can't be released back into the wild, including moose, bears, wolves, coyotes and even a resident Arctic fox, bobcat and lynx.

A SIGNATURE CANADIAN EXPERIENCE INCLUDES BOGS, A MONSTER, AND YOU

Muskoka Lakes Farm and Winery is home to Johnston's Cranberry Marsh and their cranberries launched one of Ontario's leading festivals: the Bala Cranberry Festival. Today at the marsh, you can hike, snowshoe or ski their trail system, skate via torchlight over sleeping cranberries, learn about our region's berried history and sip award-winning wines. Remember to stop and shake paws with Joy, their golden retriever greeter.

A person is seen from behind, sitting in a canoe on a calm lake. The sun is setting, creating a golden glow on the water and sky. The background shows a dark line of trees on the shore.

SPOILER ALERT

Euphoric moment ahead.

You could be on the water right this moment, enjoying another season of blissful paddling adventures, except your old canoe just won't float.

Why not let **BOATFIX.CA** breathe new life into that worn out old boat? **BOATFIX.CA** can work wonders on old fiberglass, Kevlar and cedar canoes by first repairing her worn out hull, and then refresh its interior and exterior finish making her look great and useful once again!

If you're in the Haliburton, Algonquin Highlands, or Muskoka region, **BOATFIX.CA** will pick-up and deliver your canoe at no-charge*. Schedule your appointment for a free consultation today!

STAY

Luxury vacation cottages bring celebrities such as – oops, we don't talk about that in Muskoka Lakes. Everyone's private enjoyment is paramount here, whether you choose a cottage on an island, a charming bed and breakfast, a hotel right in town or a historic resort with spacious, family friend waterfronts like those at Duff's Cottages or at Shamrock Lodge, both family operated for over 40 years. You can walk to all shops and attractions in Port Carling from the Muskoka Lakes Hotel and Suites. The big news for 2024: the reopening of the over century-old Bala Bay Inn including an in-house spa.

The trifecta of stunning lake views from on high belong to the perched-on-a-cliff JW Marriott The Rosseau Muskoka Resort & Spa, the beautiful sloping vista from Windermere House, both overlooking Lake Rosseau, and from high above Lake Muskoka at Touchstone Resort. Even if not staying, the public can enjoy spa treatments, or dine at these three resorts. And give a close look at Beachside Cottages and The Chalets on Lake Muskoka. On Lake Joe, it's Rocky Crest, The Muskokan or Sherwood Inn for the win. Historic big water ways also await you at Severn Lodge and Rawley Resort & Spa in Port Severn. Make memories on smaller beauties such as Butterfly Lake, Clear Lake, Morrison Lake, Bonnie Lake and Long Lake ... and off water spots will delight you, too. Muskoka Bay Resort in Gravenhurst comes to mind...

Camping is limited: check out Camping in Muskoka south of Gravenhurst and you might be able to get a site at Gullwing Lake Park: book ahead!

COMMUNITY

Whether it's running charity events, road clean-ups, or supporting local businesses, volunteers are the backbone of our community. The Muskoka Lakes Chamber is first and foremost the voice of business. As a central information hub, the Chamber also helps empower community development by promoting attractions all year round.

JOY RIDES: MEET OUR TAXIS

Chamber Member taxi drivers live in Muskoka Lakes and they know their way on our sometimes-tricky cottage roads. They're also the most highly regulated cab owners in Muskoka. They can take you anywhere within our region or to the airport and everywhere in between. It's a good idea to arrange pick ups from Kee nights (and other busy spots) ahead of time. And if they can't pick you up, they're happy to refer another local service. Ask about wheelchair taxis, airport shuttles, large shuttles for special events or to get your crew to the golf course. Some marinas offer water taxis as well.

VILLAGE O

ROSSEAU

The Village of Rosseau is the quintessential cottage town where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is the home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, and the Rosseau Fall Fair.

PLAY

The great outdoors is what originally brought people to Muskoka Lakes and it still draws them today. You'll find sparkling waters, stunning granite flats and cliffs, and forests galore.

Get in the water. Jump in a lake or river and go for a swim. Get out on the water. Try kayaking or canoeing into a quiet back corner and find water lilies and lily pads. For a different perspective, use a few new muscles on a paddle board. When the snow flies, grab your fat bikes, snowshoes and skis. Lots of places rent them.

Water-skiing is an experience like no other. There's an adrenaline rush as the boat pulls you up. As well as waterskiing, there's wakeboarding, wake surfing, fly-boarding and electric surfing: no boat needed.

Tennis is a summer sport and lessons are fun and form building. Keep your kids busy at the Lake Joseph Club's tennis camp. They also offer adult lessons and pickleball fun. In fact, you can play pickleball all year round in arenas and community centres across Muskoka Lakes.

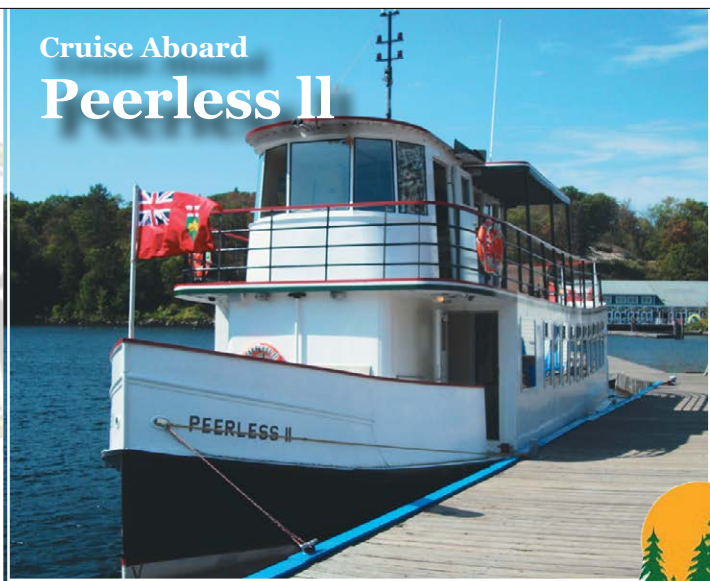

Golf is a favourite pastime: in one week, you could play a different course every day. In fall, your photo skills are tested as you capture brilliant autumn scenes on a breathtaking drive or hike.

There's nothing quite like spending time outside here, and you can't leave without admiring a Muskoka sun set. Or watch for falling stars. Our dark skies are among the best anywhere. The Torrance Barrens Dark Sky Preserve was declared the world's first dark sky preservation area in 1999.

For enriching indoor activities, visit our museums. The Muskoka Lakes Museum celebrates its 60th anniversary this year.

GOLF

Tee up in Muskoka Lakes on an artfully sculpted course. Some Chamber Member Golf clubs cater to private club members only yet there are times when the public can play.

Fun Fact 1: Muskoka Lakes Township owns the Milford Manor Golf Course where you play by the honour system, dropping a few bucks at the entrance.

Fun Fact 2: Muskoka Lakes Golf & Country Club has played host to the Muskoka Lakes Association (MLA) annual regatta since 1920.

Fun Fact 3: At Muskoka Highlands, you can play through with your four-legged friend beside you. Ozzy's Golf Range is dog friendly, too.

Fun Fact 4: The Rock Golf Club is public and was designed by the legendary Nick Faldo. Dining there is lovely, too.

The Muskoka Lakes Chamber is proud to have these superb golf facility Members:

- Muskoka Lakes Golf and Country Club, Port Carling
- Ozzy's Golf Range, Bala
- Windermere Golf and Country Club, Windermere
- The Rock Golf Club, Minett
- Rocky Crest Golf Club, Lake Joe
- Muskoka Highlands Golf Links, Bracebridge
- Muskoka Bay Resort, Gravenhurst
- North Granite Ridge Golf and Country Club, Port Sydney

The scene is set on a lush green golf course with trees in the distance. Overlaid on the image is the large, stylized white logo for 'OZZY'S GOLF RANGE'. SERVICES

It's good to know where to find reputable help when living in cottage country. Our landscape can be challenging, and local contractors know how to achieve best results. We have visionary leaders in sustainable and even 3D concrete building practices. The Chamber gets calls for property managers, cleaners, electricians, insurers, Internet, and other service providers. We're often asked to refer builders, landscapers, and we can even find people to marry you or sing on your special day.

Our preferred business index starts on page 59. See contractors on page 63.

HIKE

Slip on some sturdy walking shoes, grab your camera, and water bottle, and head out on our trails. You'll experience a whole other side of stunning cottage country. Please see the trail map at the end of this guide, and here's a brief description of some well and lesser-known hiker havens.

Torrance Barrens Conservation Area and Hardy Lake Provincial Park are both at the south end of Muskoka Lakes and are managed by the Ontario government. In 1999, the Barrens was designated as Canada's first permanent Dark Sky Preserve – a protected space free from urban light pollution. Like its name, it offers a barren landscape with rocky ridges, wetlands, and a leafy trail ending at Pine Lake.

HAZELWOOD TRAIL

HARDY LAKE

TORRANCE BARRENS

A different experience awaits you at Hardy Lake. The deeply forested and often lakeside trail loops are very popular with visitors, so get there early.

Our lesser-known gems offer their own delights, including the falls at Skeleton Lake Fish Hatchery Trail near Windermere. While you're in the more northern end of Muskoka Lakes, take a hike on Raymond Trail at Raymond or Weir Lake Trail near Bent River.

Right in Port Carling is Hazelwood Trail which winds first past a golf course and then you're on a deciduous trek. To lookout over Lake Muskoka, you have two choices: Huckleberry Rock Lookout just east of Port Carling or Walkers Point Lookout (and at the right time of day you might see the RMS Segwun chug past).
