EXPLORE: CURATE YOUR PERFECT ADVENTURE

There's no better place to experience nature than right here in Muskoka Lakes. Here are a few tips to help you decide which spots you'll add to the top of your must-see list:

CATER TO YOUR CREW

Your plans could shake out differently depending on who you're sharing your adventure with. If you have tykes in tow, pack a picnic and head to Bala's Jaspén Park, where they can use the playground and swim at the beach.

Port Carling's Hanna Park and Bartleman Island have lovely, paved paths for those needing accessibility support. Your pooch can cool off in the river that runs along the Skeleton Lake Fish Hatchery Trail.

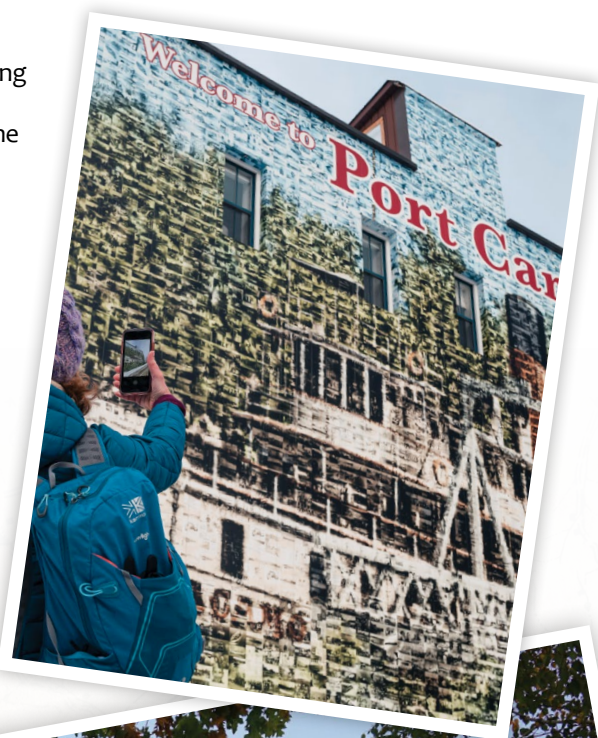

CONNECT WITH MUSKOKA'S WAY BACK WHEN

Touching the past is much easier when you know what to look for, and you'll be surprised at how simple it can be. Butter & Egg Road earned its name in the late 1800s as so many of the farms that supplied businesses like Wilmott's General Store and the resorts around Beaumauris with butter, eggs and other goods were on that same road. You can still visit Brooklands Farm, established in 1876, for seasonal fruits, vegetables and maple syrup. The Raymond Trail is now used for hiking, and still has some wooden remnants of its former life as a corduroy road that helped travellers using horse and wagon get to Skeleton Lake.

GET *THAT* PHOTO

You know the pics we're talking about... those must-have Muskoka scenes that make the perfect wall art, home screen shot, or family photo. Classic options definitely include a panoramic shot from the top of the Huckleberry Rock Lookout or Walker's Point Lookout, where you feel like you're on top of the world as you take in incredible views of Lake Muskoka; A selfie in front of the Historic Port Carling Wall; or a shot of a classic boat like the Peerless II or Wenonah II gliding past Windermere Resort.

LEAVE IT BETTER THAN YOU FOUND IT

Our best kept secrets are out, which means thousands of people are hitting well-known stops like the Hardy Lake Provincial Park trails, which has the iconic over-water wooden path sections, and Torrance Barrens Provincial Park, a rugged hiking destination by day and Dark Sky Preserve by night. These locations are so much better when everyone works together to keep them clean: please make sure you're packing out what you pack in. You could even bring a bag with you when you wander so you can help clear out any waste items you find as an act of giving back to the land you're exploring.

Where to start? A great way to know you're seeing the best sites is to grab an Away We Go Trips route from awaywegotrips.ca. AWGT has six self-guided Muskoka daytrip routes, each loaded with ten incredible local must-see and off the beaten path stops and packed with tons of local intel. These curated routes work for all ages and interests and can be used in a day or over time: a solid choice when you're looking to get in on the best Muskoka has to offer.

STAY

Your Muskoka enjoyment is key, whether you prefer a cozy island cottage, a charming B&B, or a hotel in town like Bala Bay Inn, The Dudley Inn and the Bala-Hy Motel. In Port Carling, Muskoka Lakes Hotel and Suites puts you steps from shops and attractions while still on the water. Waterfront resorts such as Duff's Cottages or Shamrock Lodge have been helping families make memories for over 40 years.

For breathtaking lake views, consider JW Marriott The Rosseau Muskoka, Windermere House, or Touchstone Resort. On Lake Muskoka, check out Beachside Cottages and The Chalets

on Lake Muskoka, while Lake Joe offers Rocky Crest, The Muskokan, and Sherwood Inn.

Severn Lodge and Rawley Resort & Spa bring historic charm to Port Severn.

Smaller lakes like Butterfly, Clear, and Long Lakes offer hidden gems, while off-water stays like Muskoka Bay Resort in Gravenhurst impress as well. Camping is limited—try Camping in Muskoka south of Gravenhurst or at Gullwing Lake Park.

Surround yourself with the beauty of cottage country in Muskoka with a stay at The Dudley Inn – known to regulars and locals alike as ‘Dudley’s’

MAXIMIZE YOUR SWING

HOW TO GET THE MOST OUT OF YOUR TIME AT THE DRIVING RANGE

A trip to the driving range isn't just about hitting a bucket of balls – it's a chance to sharpen your skills, refine your technique, and build confidence for the course. Whether you're a beginner aiming for consistency or a seasoned golfer fine-tuning your game, making the most of your time at the range can pay big dividends. Here's some tips with thanks from the pros at Ozzy's Golf Range about how to practice with purpose and get value out of every swing.

Tip 1 from Golf Pro Robbie Latter

“Always have a target in mind, whether it be a wedge or a drive, golf is target based (no matter what shot you face in golf, there's always a target in mind).” *pro Robbie Latter*

Tip 2 from Golf Pro Jim Fisher

“If your target on the range is something which ‘crosses’ the driving mat on a diagonal, make sure you put two golf clubs or alignment sticks down: one beside the ball, and another behind your heels. These ‘train tracks’ will help your eyes and allow you to set you up in line with your target, thus enabling you to make a confident swing!” *pro Jim Fisher*

Be sure to check out Ladies Night at Ozzy's every Wednesday, 630-730pm, from the first week of June to mid-August. Details at ozzysrange.ca. Follow [ozzysrangebala](#) on Instagram to see all weekly events.

Chamber Night is August 8, 4-5pm, on the first Friday after the Long Weekend: a thank you back to the business community from Ozzy's Range. Bash a bucket of balls for just \$5. All welcome.

VILLAGE O

ROSSEAU

The Village of Rosseau is the quintessential cottage town where cottagers like to bring out of town guests for a Sunday stroll. Our village is rich in history and still has that small-town feel.

You can visit by car or boat and walk about town with that old fashioned scoop of ice cream in hand, or have a meal at our five-star rated restaurant, or just check out all the charming shops. Come any day in the summer and see many groups of families including the family dog, simply sitting outside the 1874 Rosseau General store and enjoying an ice cream.

Our village is the home of the Seguin Sled Dog Mail Run, the Friday Rosseau Market, the Saturday and Sunday Antique Market, and the Rosseau Fall Fair.

COMMUNITY

Volunteers are the heart of our community, driving everything from charity fundraisers to road clean-ups and local business support. At its core, the Muskoka Lakes Chamber is the voice of business, yet we're also a vital connector – bringing people, ideas, and resources together to strengthen our community. We proudly support a diverse range of non-profits, from arts organizations and ratepayer associations to curling clubs, Rotary groups, an animal sanctuary, cancer support networks, food banks and others dedicated to the health of our citizens. Collaboration is key, and through these partnerships, we help Muskoka thrive.

SERVICES

It's good to know where to find reputable help when living in cottage country. Our landscape can be challenging, and local contractors know how to achieve best results. We have visionary leaders in sustainable building practices.

The Chamber gets calls for property managers, cleaners, electricians, insurers, Internet, and other service providers. We're often asked to refer builders, landscapers, and we can even find people to marry you or sing on your special day. Our Preferred Business Directory starts on page 51. See contractors on page 55.
