About

The Chamber

The Muskoka Lakes Chamber of Commerce is an independent, membership-based not-for-profit organization serving businesses and non-profit organizations throughout the greater Muskoka Lakes region. Guided by our vision to improve economic prosperity through connectivity, education, and advocacy, the Chamber works to strengthen and support our Members by fostering meaningful relationships and creating opportunities to learn, grow, and thrive.

As a not-for-profit organization, the Chamber relies in part on revenue generated through events to support its programs, advocacy efforts, and initiatives that connect and strengthen the local business community while promoting long-term economic vitality across Muskoka Lakes.

The Dinner

The Muskoka Lakes Chamber of Commerce Annual Meeting & Member Dinner is a cornerstone celebration bringing together business leaders, entrepreneurs, and community champions from across Muskoka Lakes. As the Chamber marks its **65th year**, this year's theme **Forward Together** represents the resilience of our business community as we continue to navigate uncertain economic times.

This highly anticipated, members-only event blends meaningful connection with celebration, featuring a three-course dinner, a social networking hour, a guest speaker, and the Chamber's Annual Meeting delivered in a way that is both informative and engaging.

For sponsors, the Annual Meeting & Member Dinner offers a premium opportunity to align with trusted leadership and community impact, placing your organization at the centre of an evening that celebrates progress, partnership, and the future of Muskoka Lakes.
